Artist's Journal Workshop: Creating Your Life in Words and ...

1. You can either cut or tear bits and pieces out of your art piece. Look for tiny areas that catch your eye. Using a hole punch is another fun way to create smaller art pieces out of a larger piece. 2. Next, place the mini art pieces on your journal page, playing with what feels right. 3. Paste your collage bits in place. 4.

Your art journal is your own private and personal space where you can write, draw, and create almost anything. It can be extremely freeing, because there are no limits. Your journal pages can be about anything – from the playful silly to the contemplative and serious.

Art Journaling for Beginners: How to Start an Art Journal ...

A set of pages from my 15 x 20 inch art journal. Art Journal: A Definition. An art journal, or artist's journal, is a book kept by an artist as a visual, and sometimes verbal, record of her thoughts and ideas. Art journals generally combine visual journaling and writing, to create finished pages.

What is an Art Journal? - Mixed Media Club

I've been art journaling for 6 years, and I still got a lot out of it. There are about 17 different art journal pages by Traci in the book, three other projects that aren't related except that they are mixed-media like Traci's A. J. pages). There are about 10 photos of each art journal page, step-by-step on how it was created.
