HR 25x100  
Given the sheer pleasure that the Helios LightQuest-HR 25x100 gives, it is a very good option for a serious 100mm binocular. Stray light control is slightly better than in the 80mm version, and image sharpness was comparable.

In my view the Helios LightQuest HR  
10x50 is an excellent astronomical  
binocular either hand-held or tripod  
mounted and at £269 it's a bargain.
