Jeff Jarvis is obviously in love with Google and all things Google. In fact, in the world according to Jeff Jarvis we would all do well to discard every and all business models and follow, lock-step in the Google mode. In short, this is one long love letter to Google. If Google were a human being, Jeff Jarvis would be the stalker.

But not Jeff Jarvis. In this shibboleth-destroying book, Public Parts argues persuasively and personally that the internet and our new sense of publicness are, in fact, doing the opposite. Jarvis travels back in time to show the amazing parallels of fear and resistance that met the advent of other innovations such as the camera and the printing press.
