In the United States, the expression "civil courts" is used as a shorthand for "trial courts in civil cases". In England, the burden of proof in civil proceedings is, in general—with a number of exceptions such as committal proceedings for civil contempt—proof on a balance of probabilities. In civil cases in the law of the Maldives, the burden of proof requires the plaintiff to convince the court of the plaintiff's entitlement to the relief sought. This means that the plaintiff must ...
