The Dark of the Moon is the first book in the ‘Chronicles of Lunos Series’ by E.S. Bell and introduces the reader to the world of Lunos and its inhabitants. I love this book and can’t wait to find out what happens next.

The Dark of the Moon (Chronicles of Lunos #1) by E.S. Bell

Dark of the Moon is the book that introduces Virgil Flowers, the second major series character to be created by John Sandford. Virgil is an investigator for the Minnesota Bureau of Criminal Apprehension, which is run by Lucas Davenport, Sandford's better-known protagonist. Virgil is pretty laid-back for a cop.

book is about: a specific aspect of life cycles, the dark period, which is symbolized here, as the dark phase of the moon. The earliest peoples understood that the power of life lay in the darkness of the moon. But after thousands of years, humanity forgot this truth and began to fear the power in the waning dark moon. Plutarch wrote, "For the
