Julia Lattimer (Author of Desert Gardening Simplified)

A desert style garden can be summed up in three words: dry, simple and architectural. They are usually defined by restrained design, high sunshine hours and limited rainfall. Desert gardens are a global thing so It does not matter whether your desert influences originate in Middle Eastern rustic, Palm Springs chi-chi, or South of the Border chic. Revamping your outdoor spaces into a desert style oasis will be a guaranteed showstopper in any neighbourhood.
