## **Employee Handbook - Human Resources**

Employee relations remain a clear responsibility of the local management. Therefore, they will be handled at the appropriate level: first at site level (factories, warehouse, etc.) and subsequently at national level, according to law and practices. Our commitment to long-term collective relationships with our employees is guided by the

**Handbooks | Human Resources**  
Employee relations is the one discipline within human resources that connects with every aspect of employment. While employee relations is considered just one specific discipline, experts in this area must be knowledgeable of all areas within human resources to be effective in handling workplace matters. Compensation and benefits, workplace safety, recruitment and selection, and performance management are other disciplines with the human resources field.
