United States obscenity law deals with the regulation or suppression of what is considered obscenity. In the United States, discussion of obscenity typically relates to pornography, as well as issues of freedom of speech and of the press, otherwise protected by the First Amendment to the Constitution of the United States. Issues of obscenity arise at federal and state levels. The States have a direct interest in public morality and have responsibility in relation to criminal law matters, includi

Censorship in the United States involves the suppression of speech or public communication and raises issues of freedom of speech, which is protected by the First Amendment to the United States Constitution. Interpretation of this fundamental freedom has varied since its enshrinement. For instance, restraints increased during the 1950s period of widespread anti-communist sentiment, as ...

Censorship in the United States - Wikipedia

Obscenity laws remain enforceable under Miller despite these criticisms. Some states have passed laws mandating censorship in schools, universities, and libraries even if they are not receiving government aid that would require censorship in these institutions. These include Arizona, Kentucky, Michigan, Minnesota, South Carolina, and Tennessee.

Federal Censorship Obscenity In The Mail

The federal government made a couple of attempts to regulate obscenity through U.S. mail and other common carriers. The Comstock Acts of 1873 prohibited sending obscene material, birth control and abortive agents through U.S. mail. Through various court rulings, the courts declared most of the Comstock Act unconstitutional.
