My feelings are a little mixed on Gemba Walks Audiobook. There are some things I REALLY liked and one major obstacle I strongly disliked. First the Pros of this Audiobook which are many. This book is a collection of Dr. Womack's writings over the last 10-12 years as he was the President of LEI. His insight captured in many of these writings ...

people work together to create value. Over the past decade, he has shared his thoughts and discoveries from these visits with the Lean Community through a monthly letter.

~~Gemba Walks by Jim Womack (2011, Trade Paperback) for sale ...~~

- The objective of a gemba walk is not to draw a map, or to solve a specific problem, or to Plan or Do or Check or Act.
- It is to grasp the situation by involving everyone touching the process to understand purpose, process, and people.
- Once the situation is understood improvement is possible and more likely to succeed.
