### Forklifts - Diesel, Electric or LPG Forklift Trucks - Hyster

Hyster has a proud heritage. From our origins in 1929 as a small manufacturer of winches and lifting machines used in the United States' Pacific Northwest logging and timber industry, we matured into a leading global manufacturer of lift trucks and warehousing equipment.

### Hyster

I have a Hyster H40XL that the dealer tells me the clutch packs in the transmission are "welded" together. This forklift will barely move forward under full throttle and will only bog down and not move at all in reverse. The valve body has been checked and found to be OK. The quote for repair is about 3X what the forklift is worth.
