Language and Gender. The 3rd edition of Language and Gender was published in November 2019. Since its first publication in 1998, Mary Talbot's Language and Gender has been a leading textbook, popular with students for its accessibility and with teachers for the range and depth it achieves in a single volume. This anticipated third edition has been thoroughly revised and updated for the era of #MeToo, genderqueer, Trump, and cyberhate.

### Language and Gender | Mary Talbot's Website

In the second section, Talbot examines the language used by women and men in a variety of speech situation and genres. She addresses a range of issues and problems, including the difficulties arising from accounting for gender differences in terms of dichotomies like public vs private and informational vs affective and, not least, the trouble with looking for 'differences' at all.
