Strong Customer Service Training Starts with the Adage: The Customer is Always Right

~~10 Customer Service Training Tips Your Employees Need To~~

First off, who needs customer service training? The most obvious answer is: support staff. It’s their bread and butter. However, they are not the only group that can benefit from customer service training. To some extent, anyone who works directly with customers could provide a better service after undergoing customer service training. For example, a member of the sales team will use the same set of skills a support agent uses to determine the needs of the customer and to make a good offer.
