In Thank You for Arguing, Jay

Heinrichs endeavors to show why the
lost art of rhetoric—the study of
argument and persuasion—can help
people understand the world, help
them succeed, and generally improve
their lives. In Part One, “ Offense, ”
Heinrichs lays out the basics of
arguing. Every argument has three
basic steps: first, stimulating the
audience ’ s emotions, second,
changing the audience ’ s opinion,
and third, getting the audience to do
or choose something.
