welcomed the German armed forces when they crossed the frontiers. In Lithuania, a revolt broke out and an independent provisional government was established. As the German armies approached Riga and Tallinn, attempts to reestablish national governments were made. It was hoped that the Germans would reestablish Baltic independence.

Occupation of the Baltic states - Wikipedia

The Baltic States are small compared to other European countries. The population in 2017 was: Estonia
Population: 1.3 million;
Latvia Population: 1.95

The story of Baltic national identity is a complicated one. From Polish and German conquest to Russian imperial rule, brief independence to Soviet domination, the Baltic people have struggled with the concept of identity, eventually opting to consciously construct a national spirit using ancient elements from the past.
