~~Illustration: Amazon.co.uk: King ...~~

Kew's foremost contemporary botanical artist Christabel King has been painting botanical art for 40 years at Kew, and in this book she explains both scientific botanical illustration and the looser botanical art. This book covers all aspects of botanical illustration, including the materials required, plant collecting and preserving, and drawing and painting techniques.

1 May 2018. Format: Hardcover
Verified Purchase. This is a lovely book and gives many examples of Christabel King's beautiful botanical drawings. However, it is presented as a 'guide' for "everything you need to know" about a wide range of topics related to botanical drawing, yet there is no place in the book where you can really settle in and see all the steps that it took to

King is a Botanical Illustrator for Kew Gardens (Royal Botanic Gardens, Kew) since 1975. She is truly a consummate expert at her art. Her book covers so many important topical areas that are essential to the Botanical Illustrator as well as the Natural Botanical Artist.

~~Kew Book of Botanical Illustration, The: King, Christabel ...~~

In 1975 she began painting for their prestigious Curtis's Botanical Magazine (the longest running botanical magazine - first edition 1787), after achieving a degree in botany and scientific illustration. She runs successful workshops and courses at Kew and is highly skilled and acclaimed for her work. This will be her first book.
